

**Review of the Electronic and Industrial Distribution Industries**

NEDA member companies receive one complimentary copy of the *Review* per publication. Additional subscriptions may be purchased for a fee of \$20.00 per year or \$12.00 per copy, plus \$5.00 postage. Visit <http://www.nedassoc.org/pub.html> to place an order or contact Debbie Conyers at [dconyers@nedassoc.org](mailto:dconyers@nedassoc.org)

<b>Topic</b>	<b>Volume</b>	<b>Article Title</b>	<b>Authors</b>
Authorized Distribution	Volume 1, Number 1 - 2002	The Value of the Distributor in the Evolving Supply Chain	Ramesh Krishnamurthi, Texas A&M University; F. Barry Lawrence, Texas A&M University; Behbood B. Zoghi, Texas A&M University
Authorized Distribution	Volume 2, Number 1 - 2003	A Framework To Quantify The Value Of Authorized Distribution In The Electronics Distribution Channel	F. Barry Lawrence, Texas A & M University; Daniel F. Jennings, Texas A & M University; Bharani Nagarathnam, Texas A & M University
Best Practices	Volume 6, Number 1 - 2007	Wholesale Distribution Operational Excellence: Best Practices In Information Management	Texas A&M University Supply Chain System Laboratory
Best Practices	Volume 6, Number 2 - 2007	Wholesale Distribution Operational Excellence: Best Practices In Information Management	Texas A&M University Supply Chain System Laboratory
Best Practices	Volume 7, Number 1 - 2008	Wholesale Distribution Operational Excellence: Best Practices In Information Management	Texas A&M University Supply Chain System Laboratory
Business Models	Volume 3, Number 1 - 2004	Development of an Optimal Case Order Count Model to Reduce Errors for Distribution Operations	James L. Toppen, East Carolina University; Paul J. Kauffmann, East Carolina University; Leslie K. Paqliari, East Carolina University
Business Models	Volume 4, Number 1 - 2005	Strategy-Structure-Performance Relationships in a Hostile Environment: Prescriptions for Entrepreneurial and Conservative Electrical Distributors	Daniel F. Jennings, Texas A&M University; Kevin Handle, Shinbone University of Technology, Australia
Business Models	Volume 4, Number 1 - 2005	Value Creating Activities: Approaches to Improve Distributor Profitability	Daniel F. Jennings, Texas A&M University

Business Models	Volume 4, Number 2 - 2005	The Concept Of Business Models: Insights And Issues	Daniel F. Jennings, Texas A&M University
Business Processes	Volume 7, Number 2 - 2008	Optimizing Distributor Profitability - A Toolkit for Optimizing Business Processes and Shareholder Value	Dr. Lawrence, Mr. Gunasekaran, Mr. Chidambaram, Mr. Krishnadevarajan - Texas A&M University
Channel Management	Volume 7, Number 1 - 2008	Managing Multiple Channels of Distribution in Industrial Markets	Dr. Ursula Sullivan, University of Illinois, Urbana-Champaign; Dr. Tianjiao Qiu, California State University oat Long Beach; Dr. William Qualls, University of Illinois, Urbana-Champaign
Channel Relationships	Volume 5, Number 1 - 2006	A Survey on the Shifting Channel Expectations Among Distributors And Manufacturers	Dr. Edie Schmidt, Purdue University; Dr. Kathy Newton, Purdue University
Communication	Volume 5, Number 2 - 2006	Enhancing An International Supply Chain's Communication	Marcy Astrup-Kistler, Purdue University; Edie Schmidt, Purdue University
Continuing Education	Volume 4, Number 1 - 2005	Developing Continuing Professional Education For Vertical Markets: An Applications Study For The Electronics Distribution Industry Sector	Laurie Kane-Sellers, Texas A&M University; Norm Clark, Texas A&M University
Customer Relationships	Volume 1, Number 1 - 2002	Franchise Relationships Under E-Commerce	Gail Zank, Southwest Texas State University; Robert Vokura, Texas A&M University- Corpus Christi; Robert Davis, Texas A&M University
Customer Relationships	Volume 3, Number 1- 2004	Objectifying The Market Analysis Process: A Tool For Identifying What Customers Value	M. Laura Kane-Sellers, Texas A&M University
Customer Service	Volume 7, Number 1 - 2008	A Re-Conceptualization of Customer Service Toward A Lean Systems Thinking Perspective For Distribution	Dr. Robert Teehan, Eastern Michigan University
Cycle-Counting	Volume 5, Number 2 - 2006	A Comparison Of Cycle Counting Methods	Edie Walters; Edie K. Schmidt, Purdue University; Kathyne Newton, Purdue University

E-Commerce	Volume 1, Number 1 - 2002	Value of E-Commerce in the Industrial Distribution Channel	F. Barry Lawrence, Texas A&M University; Manish Sinha, Texas A&M University; Scott Foster, Texas A&M University
Electronic Invoicing	Volume 6, Number 1 - 2007	Adoption of Electronic Invoicing By General Line distributors	Steven A. Epner, Purdue University; Kathyne Newton, Purdue University; Edie Schmidt, Purdue University; Donald Buskirk, Purdue University; Mark Schuver, Purdue University
E-Procurement	Volume 6, Number 2 - 2007	E-Procurement Adoption By Industrial Purchasing Professionals	Karen Norman Kennedy, University of Alabama at Birmingham, Dawn R. Deeter-Schmelz, Ohio University
Forecasting	Volume 2, Number 2 - 2003	Practical Forecasting Implementation	Dr. F. Barry Lawrence, Texas A&M University; Sivakumar Sellamuthu, Texas A&M University
Global Business Issues	Volume 2, Number 2 - 2003	Executive Scanning the Chinese Environment: Insights into Assessing Risk and Opportunities	Dr. Steven W. Thompson, Texas A&M University; M. Laura Kane-Sellers, Texas A&M University
Global Business Issues	Volume 6, Number 1 - 2007	China: An Overview and Market Entry Strategy For Industrial Distributors	Arunachalam Narayanan, Texas A&M; F. Barry Lawrence, Texas A&M University; Pradip Krishnadevarajan, Texas A&M University
Green Supply Chain Management	Volume 8, Number 1 2009	An Essay of Green Supply Chain Management in the Electronics Industry	Sorraya Khiewnavawongsa and Dr. Edie Schmidt, Purdue University
Human Resources	Volume 3, Number 1- 2004	HRD Challenges Of U.S. Headquartered Electronics Firms In China	M. Laura Kane-Sellers, Texas A&M University; Behbood Ben Zoghi, Texas A&M University; Stephen W. Thompson, Texas A&M University
Human Resources	Volume 4, Number 2 - 2005	Emotional Intelligence: Today's Sales And Hiring Advantage	John Boyless, Eastern Michigan University; Alfonso Bellamy, Eastern Michigan University
Human Resources	Volume 4, Number 2 - 2005	Electronics Industry Talent Pool Shortage Compounds Challenges Posed By A Multi-Generational Workforce	Laurie Kane-Sellers, Texas A&M University; Norm Clark, Texas A&M University
Human Resources	Volume 5, Number 1 - 2006	Voluntary Employee Turnover In The Industrial Distribution Sales Force: Conceptual Models And Implications	Laurie Kane-Sellers, Texas A&M University

Human Resources	Volume 5, Number 1 - 2006	Managing Cultural Diversity In A Global Strategic Alliance: Insights For Electronic Distributors	Daniel F. Jennings, Texas A&M University
Human Resources	Volume 5, Number 1 - 2006	Exploring The Relevancy Of Socio-Emotional And Transformational Leadership Factors Within Information Security Administration	Linda M. Kinczkowski, Eastern Michigan University
Human Resources	Volume 5, Number 1 - 2006	Women In Distribution And Logistics— <i>Barriers, Trends, and the Future</i>	Leslie R. Pagliari, East Carolina University; Craig Sanders, East Carolina University; Kathryn Griffin, East Carolina University
Inventory Management	Volume 1, Number 1 - 2002	Impact of Forecast Error on Supply Chain Costs	F. Barry Lawrence, Texas A&M University
Inventory Management	Volume 1, Number 1 - 2002	Estimating Turns for Inventory Classification	Warren Martin, University of Alabama at Birmingham; Robert Stanford, University of Alabama at Birmingham
Inventory Management	Volume 2, Number 1 - 2003	Estimating Ideal Turns For A Twelve-Class Inventory System	Warren Martin, University of Alabama at Birmingham; Robert Stanford, University of Alabama at Birmingham
Inventory Management	Volume 2, Number 1 - 2003	Inventory Consolidation: Setting Initial Stocking Levels	Edie K. Schmidt, Purdue University; Kathyne Newton, Purdue University; Michael Mancuso, Rockwell Automation
Inventory Management	Volume 2, Number 2 - 2003	Understanding The Cost Of Inventory Management – A NEDA Value Study Perspective	Dr. F. Barry Lawrence, Texas A&M University; Bharani Nagarathnam, Texas A&M University
Inventory Management	Volume 2, Number 2 - 2003	Project Plan for Improving Inventory and Warehouse Management Using Five-S JIT Strategy	Dr. Edie K. Schmidt, Purdue University; Dr. Kathyne Newton, Purdue University; Ben Robertson, Purdue University
Inventory Ordering Systems	Volume 6, Number 2 - 2007	Evaluating Cost Savings from Using Optimal Ordering Quantities for Inventory Classes	Dr. Warren Martin, University of Alabama at Birmingham; Robert Stanford, University of Alabama at Birmingham

Knowledge Management	Volume 1, Number 1 - 2002	Insights into the Use of Knowledge Management Programs in Five Different Industrial Distribution Channels: Views from Manufacturers and Distributors in Electronics, Electrical, Plumbing, Associated Equipment and Building Material Channels	Daniel F. Jennings, Texas A&M University; F. Barry Lawrence, Texas A&M University; Smriti Gupta, Texas A&M University; Jon Parry, Texas A&M University; Nishanth Raj, Texas A&M University; Chandrakaladhar Vennapua, Texas A&M University; Joseph Munn, Texas A&M University
Lean Principles	Volume 3, Number 1- 2004	The Lean Principles Necessary For Competitive Advantage	Edie K. Schmidt, Purdue University; Ben Robertson, Purdue University;Kathryne Newton, Purdue University
Lean Principles	Volume 4, Number 1 - 2005	Distributor Process Improvements: Using Six-Sigma	Mike Lewis, Cummins Inc.; Edie Schmidt, Purdue University; Kathryne Newton, Purdue University
Lean Principles	Volume 6, Number 2 - 2007	Becoming "Lean" - Roadmap & Implementation	Dr. Barry Lawrence, Pradip Krishnadevarajan, Maharajan Chidambaram, Venkatachalam V., Texas A&M University
Location of Facility	Volume 7, Number 2 - 2008	Choosing the Next Location: A Practical Approach for an Industrial Distributor	Dr. Narayanan, Mr. Gunasekaran, Mr. Kuttuva, and Dr. Lawrence - Texas A&M University
Management	Volume 2, Number 2 - 2003	Supply Chain Management at TI	Dr. Uday M. Apte, Southern Methodist University; Somit Joshi, Texas Instruments; Venu Vellanki, Benchmark Technologies
Management	Volume 6, Number 2 - 2007	Managing Change: The role of CEO Carolyn Shelton - A NEDA Education Foundation Case and Discussion	Dr. Daniel Jennings, Texas A&M University
Manufacturer Rep	Volume 3, Number 1- 2004	Today's Manufacturers' Representative: A Profile	John C. Crawford, University of North Texas; Richard A. Dunipace, University of North Texas; George W. Wynn, James Madison University
Manufacturing Shift	Volume 7, Number 1 - 2008	Impact of Manufacturing Shift From America to Foreign Markets on Small and Midsized Domestic Distributors	John M. Buenger, Dr. Kathy Newton, Dr. Edie Schmidt; Purdue University

Marketing	Volume 2, Number 1 - 2003	Agility to Market: Variable Resource Management For The Electronics Industry	F. Barry Lawrence, Texas A & M University; Stephen Thompson, Texas A & M University; Ben Zoghi, Texas A & M University; Bharani Nagarthnam, Texas A & M University
Marketing	Volume 4, Number 2 - 2005	Customer-Centric Marketing: The Case for Profiling Customers	Kathryne Newton, Purdue University; Chuck Holmes, Fastco, Inc; Edie Schmidt, Purdue University
Micro-Electro-Mechanical Systems	Volume 4, Number 1 - 2005	An Overview of Micro Electro- Mechanical Systems	Stephen Thompson, Texas A&M University; Rafay Ishfaq, Texas A&M University; Young Keun Choi, Texas A&M University
Operational Effectiveness	Volume 5, Number 1 - 2006	A Method for Defining a Relative Measure of Strategic Importance and Operational Effectiveness for Distribution Branch Operations	Phil Lunsford, East Carolina University; Richard Monroe, East Carolina University; Leslie Pagliari, East Carolina University
Organizational Change	Volume 4, Number 1 - 2005	A Conceptual Tool for Predicting Organizational Change	Laurie Kane-Sellers, Texas A&M University
Organizational Politics	Volume 7, Number 2 - 2008	Insights Into Organizational Politics: A Case Study of Austin Electronics	Dr. Jennings, Texas A&M University
Organizational Structure	Volume 2, Number 2 - 2003	Competitive Strategy And The Rise Of New Organizational Forms In The Semiconductor Industry	Dr. David Lei, Southern Methodist University
Perceptions of Value Added Activities	Volume 7, Number 2 - 2008	Examining the Differences in Perceptions Between Chief Executive Officers and Sales Managers in 5 Different Industrial Distribution Channels Regarding Value-Added Activities	Dr. Jennings, Dr. Tolson, Mr. Clark - Texas A&M University
Product	Volume 5, Number 1 - 2006	Improving the Product Introduction Processes of Mid-Capital Projects	Ken Rogoski, Cummins Engine; Dr. Edie Schmidt, Purdue University; Dr. Kathy Newton, Purdue University; Dr. Scott Homan, Purdue University
Product Pricing	Volume 6, Number 1 - 2007	Art or Science - How Do Distributors Approach The Price Equation	F. Barry Lawrence, Texas A&M University; Pradip Krishnadevarajan, Texas A&M University

Profitability	Volume 6, Number 2 - 2007	How Are Distributors Optimizing Profitability?	Dr. Barry Lawrence, Pradip Krishnadevarajan, Maharajan Chidambaram; Texas A&M University
Returns	Volume 5, Number 2 - 2006	Reverse Logistics Information Systems For Return Handling Processes	Hyun-Soo Kim, Kyonggi University, Korea; F. Barry Lawrence, Texas A&M University; Norm Clark, Texas A&M University
Returns	Volume 5, Number 2 - 2006	The Role Of Reverse Logistics Information Systems For Returns Handling Process In An Electronic Distribution Environment	Hyun-Soo Kim, Kyonggi University, Korea; F. Barry Lawrence, Texas A&M University; Ben Zoghi, Texas A&M University; Norm Clark, Texas A&M University
Sales	Volume 5, Number 2 - 2006	Some Antecedents Of Sales Agents' Satisfaction With The Agent/Principal Relationship	Richard A. Dunipace, Fairchild Semiconductors, Inc., John C. Crawford, University of North Texas, George W. Wynn, James Madison University, Rajasree K. Rajama, Fairfield University
Services	Volume 4, Number 2 - 2005	Pricing Of Services In Wholesale-Distribution Industry	Rafay Ishfaq, Texas A&M University; Brian Reynolds, Texas A&M University; Behbood Zoghi, Texas A&M University
Solid-State Lighting	Volume 7, Number 2 - 2008	Marketing Study of the Solid-State Lighting Industry	Ms. Dana Udwin, Emory University
Strategic Sourcing	Volume 5, Number 2 - 2006	Factors To Consider In Strategic Sourcing	Mike Wisma, Purdue University; Dr. Edie Schmidt, Purdue University; Dr. Linda Naimi, Purdue University
Supply Chain	Volume 5, Number 2 - 2006	Network Rationalization Of A Building Products Supply Chain	Funda Sahin, The University of Tennessee; F. Barry Lawrence, Texas A&M University
Supply Chain Processes	Volume 8, Number 1 2009	Technology Strategy and Organizational Dynamics Within the Context of Supply Chain Processes	Dr. Al Bellamy, Christopher Kruse and Mark Phillips, Eastern Michigan University and Beverly Lane, Central Michigan University
Supply Chain Systems	Volume 1, Number 1 - 2002	Performance Metrics for a Connected Supply Chain	F. Barry Lawrence, Texas A&M University; Ramesh Krishnamurthi, Texas A&M University; Norm Clark, Texas A&M University

Supply Chain Systems	Volume 2, Number 1 - 2003	Supply Chain Systems Laboratory: Simulation of Supply Chain System in the Industrial Channel	F. Barry Lawrence, Texas A & M University; Bharani Nagarthnam, Texas A & M University
Technology	Volume 2, Number 1 - 2003	Technology Supplies: A Case Study	Kathryne Newton, Purdue University; Edie K. Schmidt, Purdue University
Telecommunications	Volume 1, Number 1 - 2002	A Telecommunications Industry Primer: Understanding Related Market Segments to Foster Strategic Relationships	Timothy R. Obermier, University of Nebraska at Kearny; Ronald Tuttle, University of Nebraska at Kearny
Unethical Behavior	Volume 8, Number 1 2009	When a Business Partnership Goes Awry: Unethical Behavior at ExI Corporation	Dr. Daniel Jennings, Texas A&M University, Lane Batson and Aaron Schrems, Protec, Inc.
Value Activities	Volume 8, Number 1 2009	Differences in the Importance of Value Activities: Perception of Chief Executive Officers and Sales Managers from Electronics Distribution	Dr. Daniel Jennings, Rajanesh Kakumani, Norman Clark, Texas A&M University
Vendor Managed Services	Volume 6, Number 2 - 2007	Supply Chain Reengineering - Vendor Managed Services (VMS), A Case Study	Dr. Barry Lawrence, Senthil Gunasekaran, Pradip Krishnadevarajan, Adhitya Vidyasankar, Texas A&M University, William Howard, Jr., Houston Plating & Coatings
VMI	Volume 5, Number 2 - 2006	Development Of An Assessment Tool For Vendor-Managed Inventory Readiness	Becky S. Lewark, Purdue University; Kathryne A. Newton, Purdue University
VMI	Volume 6, Number 1 - 2007	Vendor Managed Inventory (VMI) Best Practices In A Distribution Environment	Sriram Rajagopalan, Cummins Filtration; F. Barry Lawrence, Texas A&M University; Pradip Krishnadevarajan, Texas A&M University
Warehouse	Volume 2, Number 1 - 2003	Optimizing The Supply Chain: Use Of Automated Storage Retrieval Systems In Warehouse Management	S. S. Adhibhatla, University of Houston; G. B. Reddy, University of Houston
Warehouse	Volume 2, Number 2 - 2003	Optimization Techniques For Warehouse Location: A Fluid Power Distributor In Western Canada - A Case Study	Dr. F. Barry Lawrence, Texas A&M University; Neeraj Chandaliya, Concentra Healthcare Management
Warehouse Design	Volume 3, Number 1- 2004	The Warehouse Layout Design Problem - A 'Made To Order' Approach For A Special Class Of Warehouse Layout Design Problems	Pradip Krishnadevarajan, Texas A&M University; F. Barry Lawrence, Texas A&M University
